"Bereavement Care for

Families is a tremendously

important contribution to

the bereavement literature

in general, not just a useful

resource for clinicians. It

provides a novel

family-centered

bereavement-care model,

one that complements

individual and group

approaches. Bereavement

Care for Families: 1st

Edition (Paperback ... -

"Bereavement Care for

Families is groundbreaking

in its recognition that grief

is inescapably and

quintessentially a family

affair. No one has studied

family grief more

extensively nor offered

clearer insights and

practical guidance to

therapists on this topic than

David Kissane.
