mastering ansible

for configuration management and orchestration. The course is designed as a journey through configuring a realistic application stack from the ground up. Tue, 30 Oct 2018 09:00:00 GMT

Mastering Ansible | Udemy - Jesse Keating is an accomplished Ansible user, contributor, and presenter. He has been an active member of the Linux and open source community for over fifteen years. He has first-hand experience with a variety of IT activities, software development, and large-scale system administration. Mastering Ansible - Second Edition | PACKT Books - When I knew ansible was a good fit for our environment I purchased Chris Lunsford's "mastering ansible" course on udemy for \$10. That provided me with a basic overview of the product and Jesse filled in the advanced parts. Read more. Helpful. Comment Report abuse. Andrej Ricnik.
