willing slaves of capital

Capital Structure Decision -
Firms regularly raise capital to invest in assets - Each time there is a choice between debt and equity, and this choice is influenced " among other things - by the firm's
Capital Structure Decisions - Georgia State University -
On a typical plantation (more than 20 slaves) the capital value of the slaves was greater than the capital value of the land and implements. Slavery was profitable, although a large part of the profit was in the increased value of the slaves themselves. Selected Statistics on Slavery in the United States -
